788,000+

Signed up for a public library summer reading program

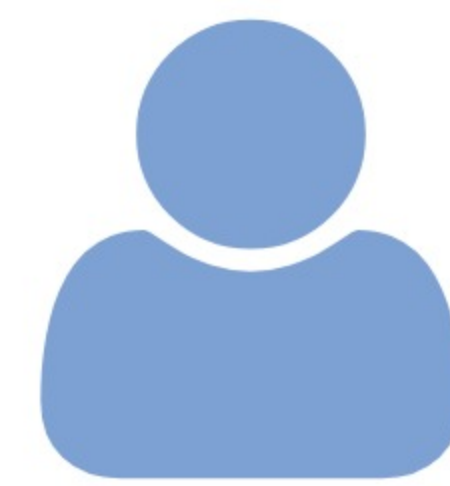

1.65 million

Attendance at statewide summer events and activities

I have enjoyed this summer more because of the reading program, so thank you for doing it!

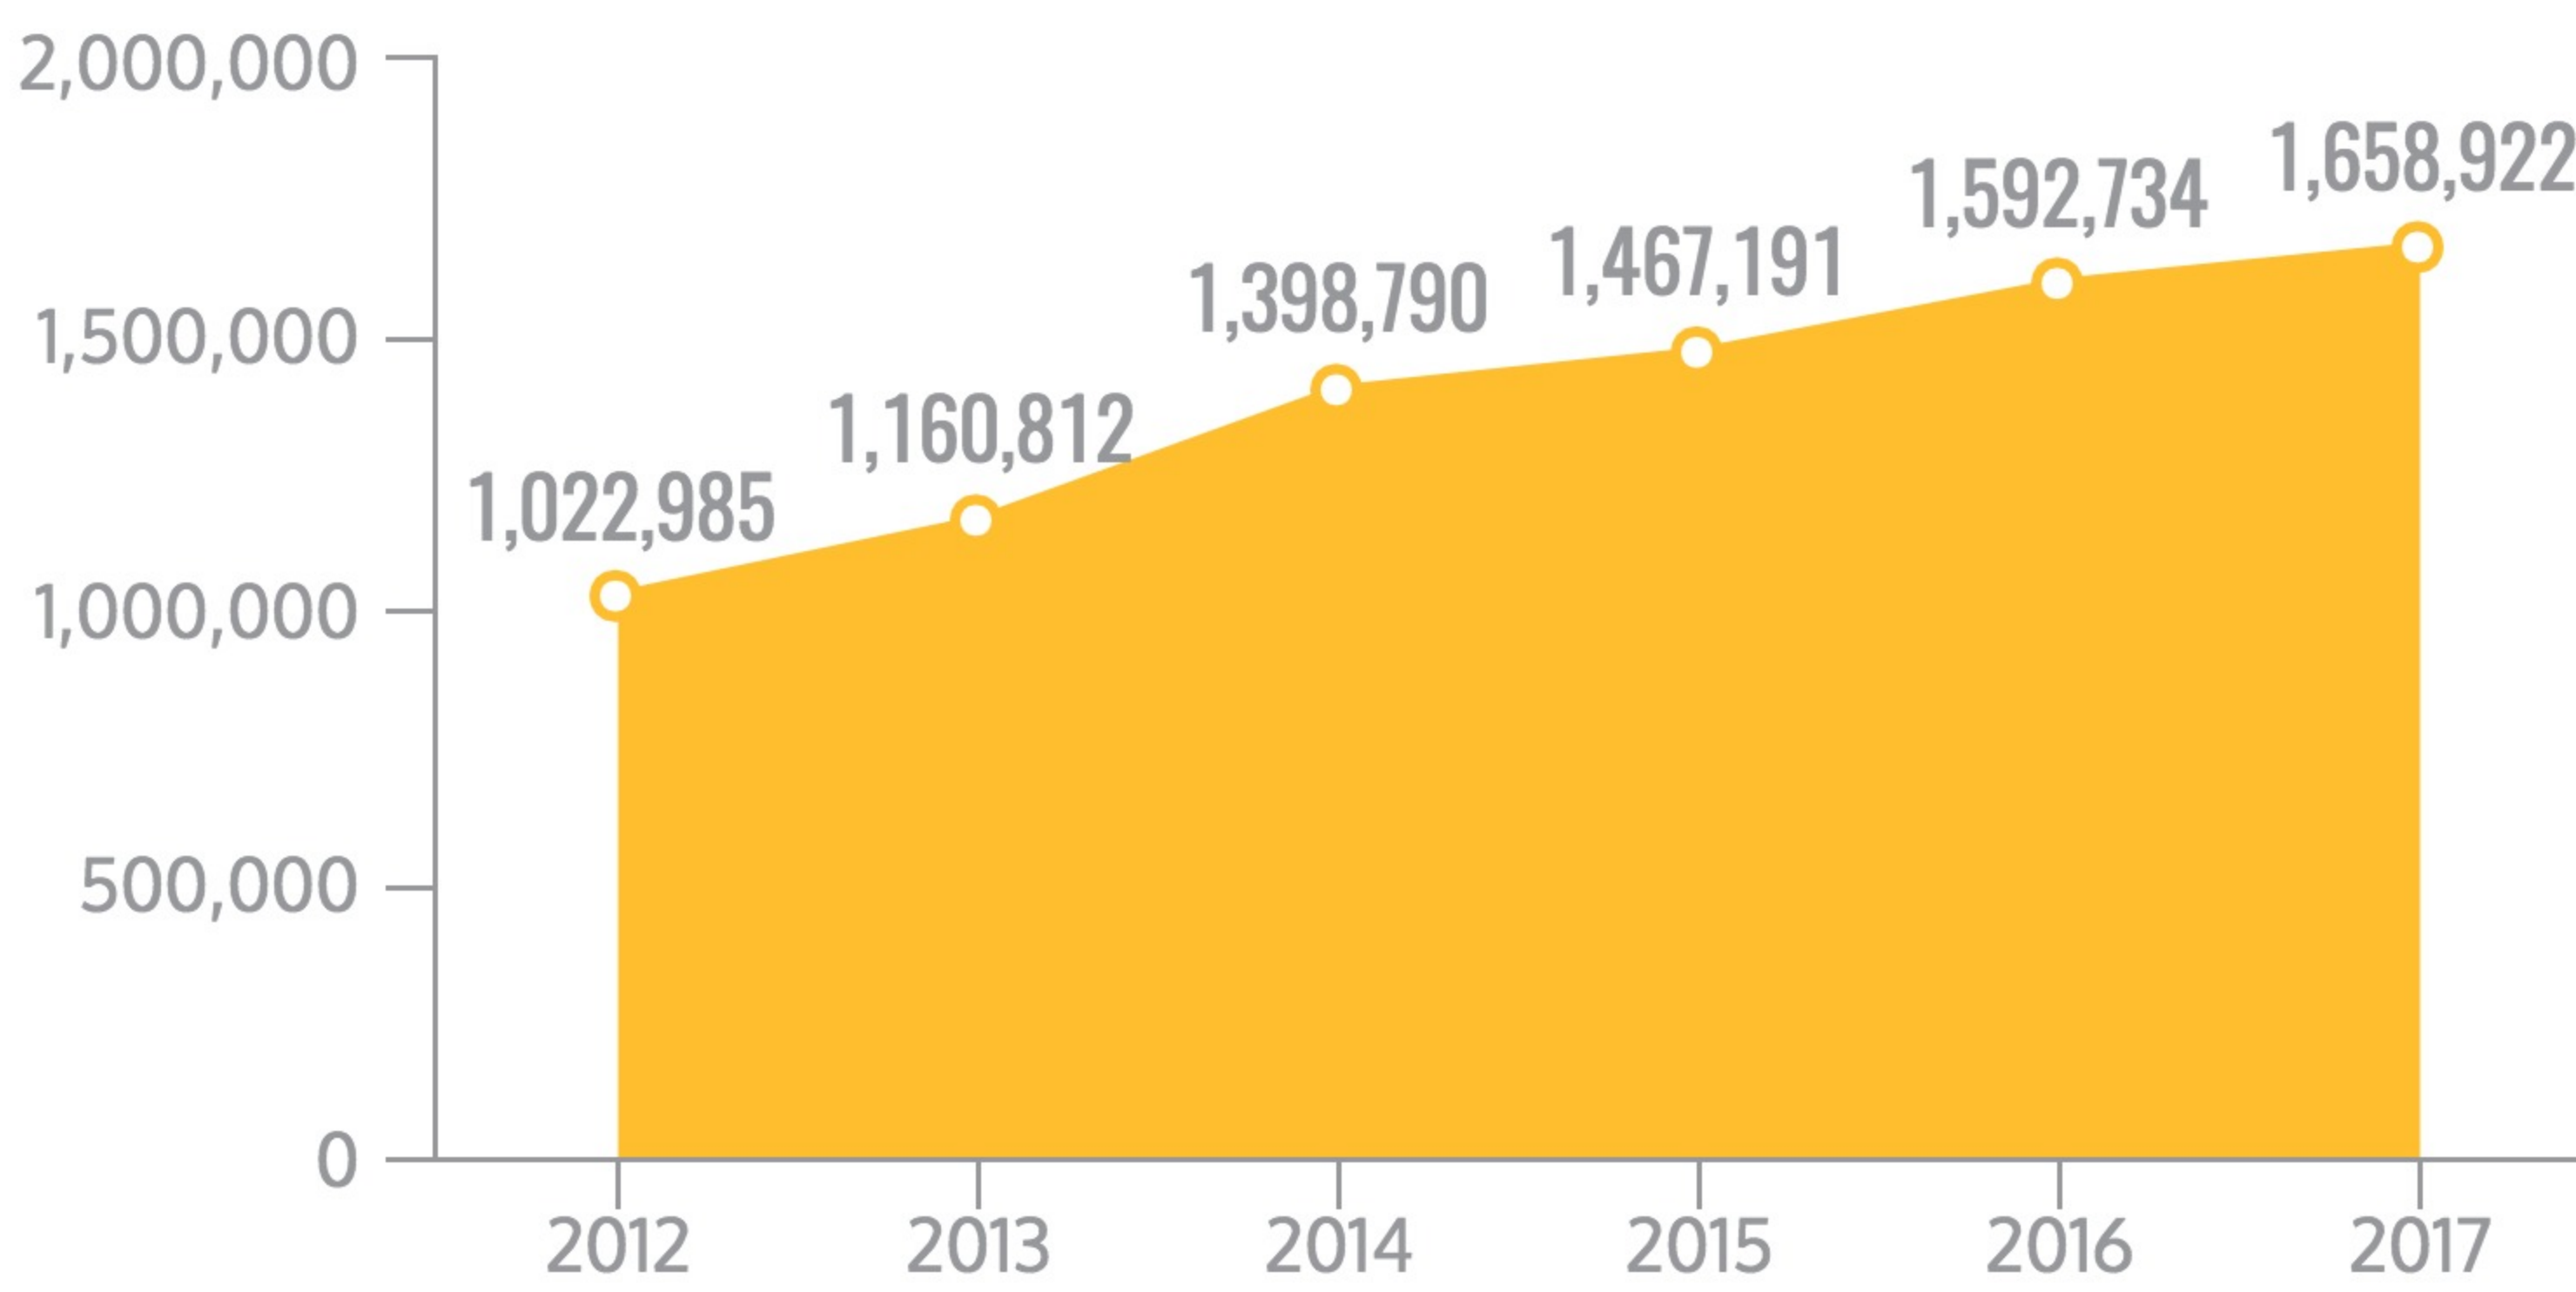

- Summer reading program participant

Summer reading participation data was submitted by 167 of California's 184 public library jurisdictions. Data is still being collected and is current as of 10/26/2017.

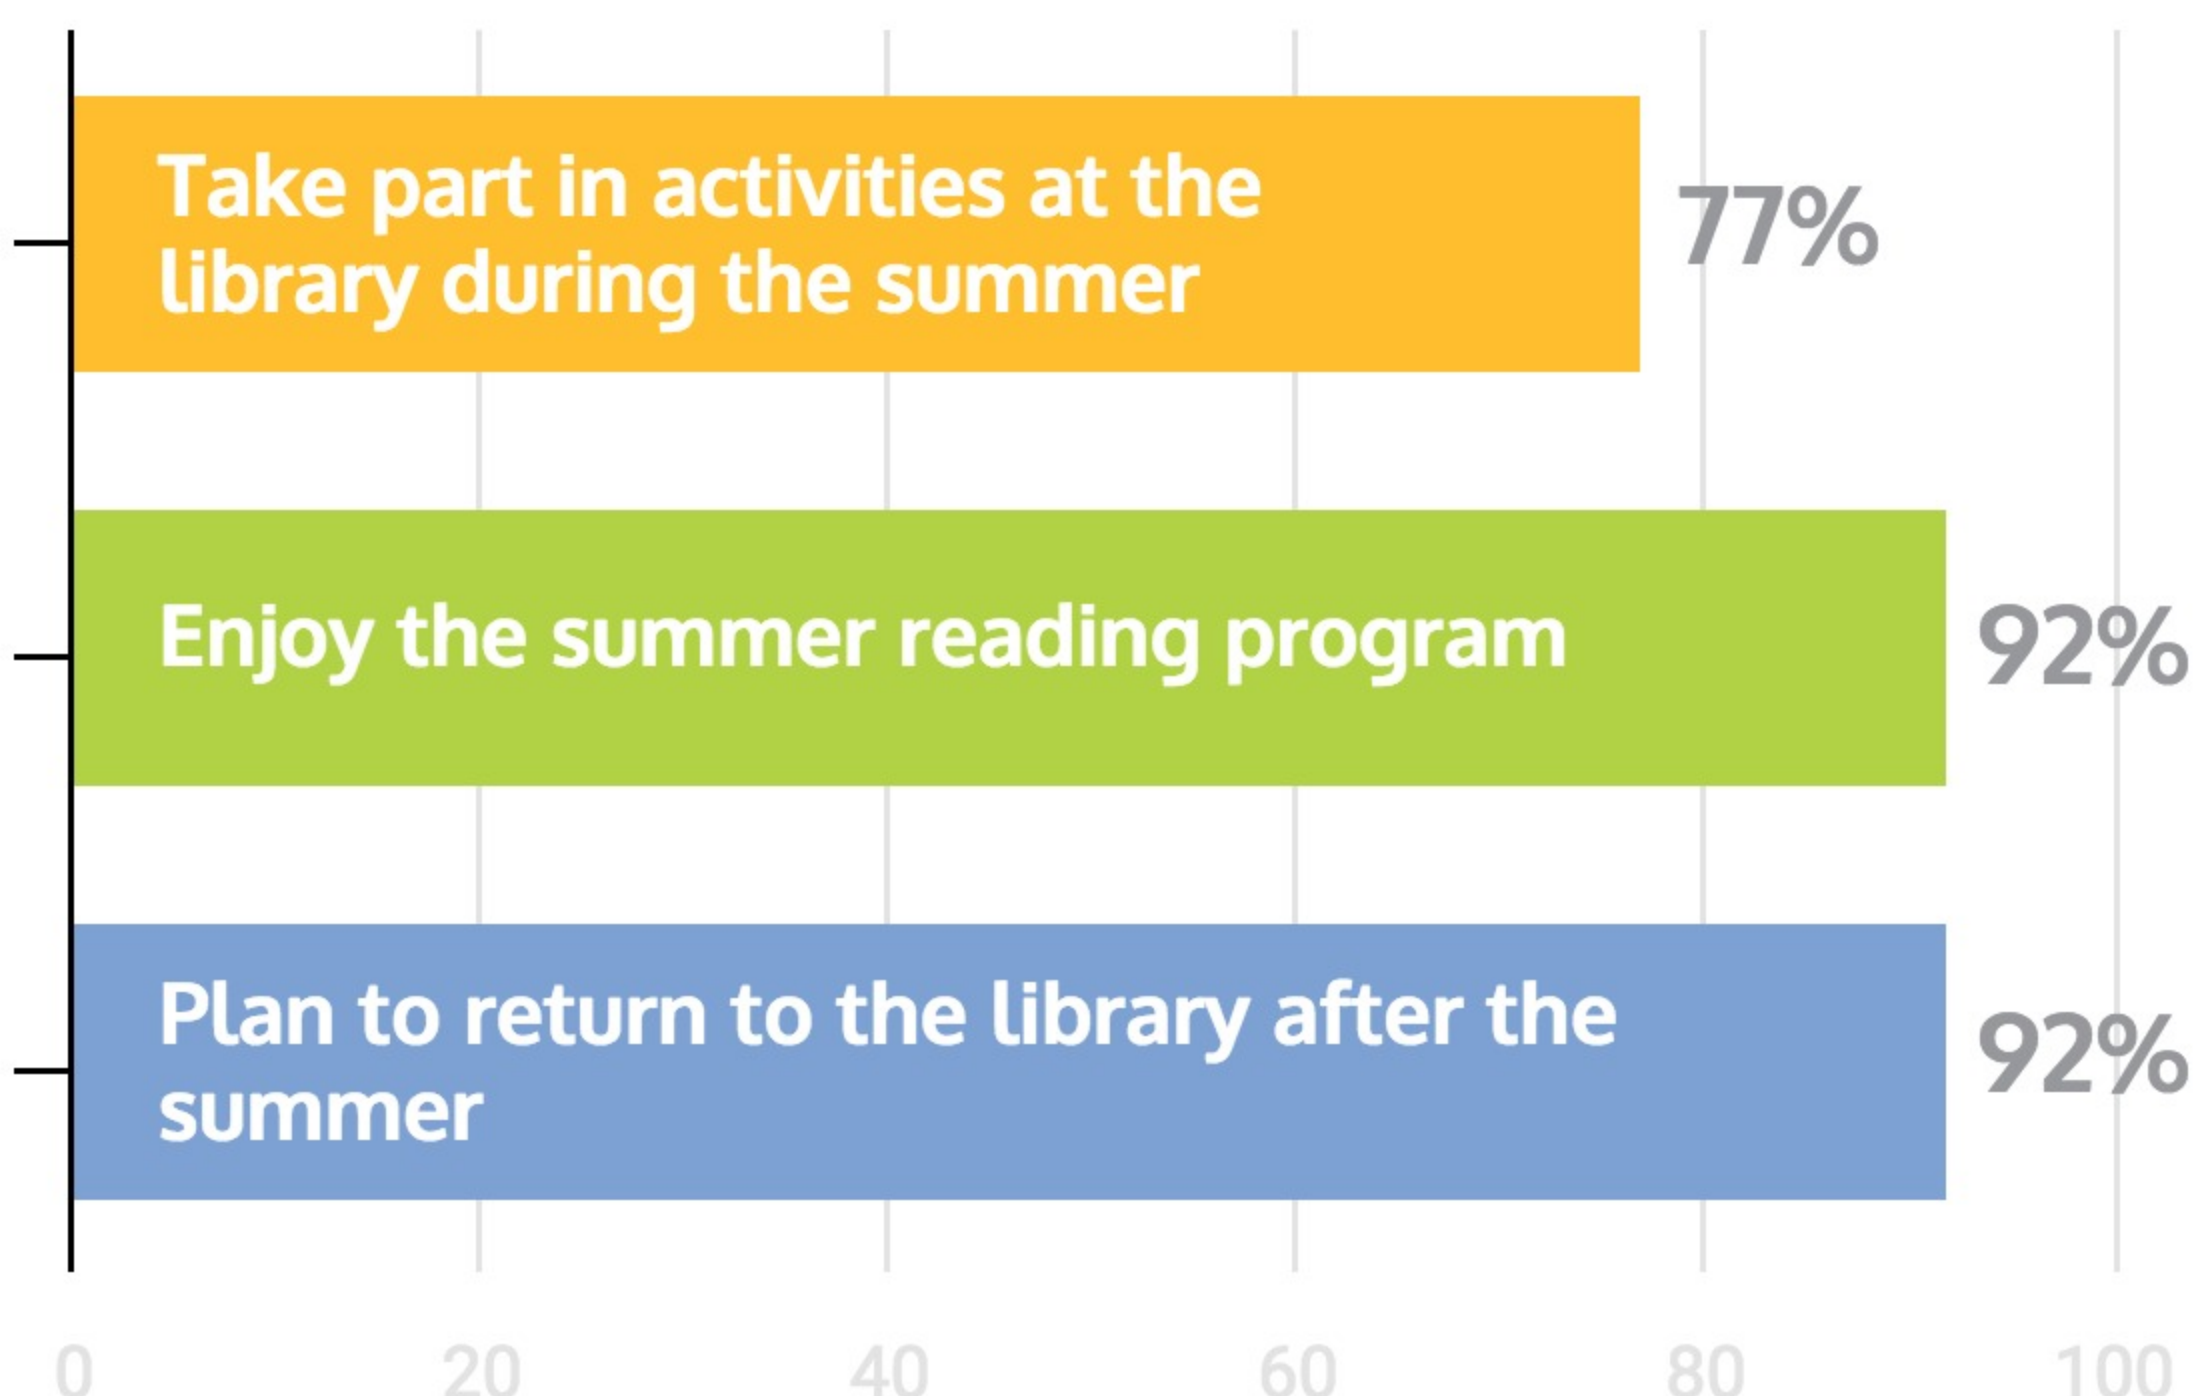

A Community of Readers and Library Users

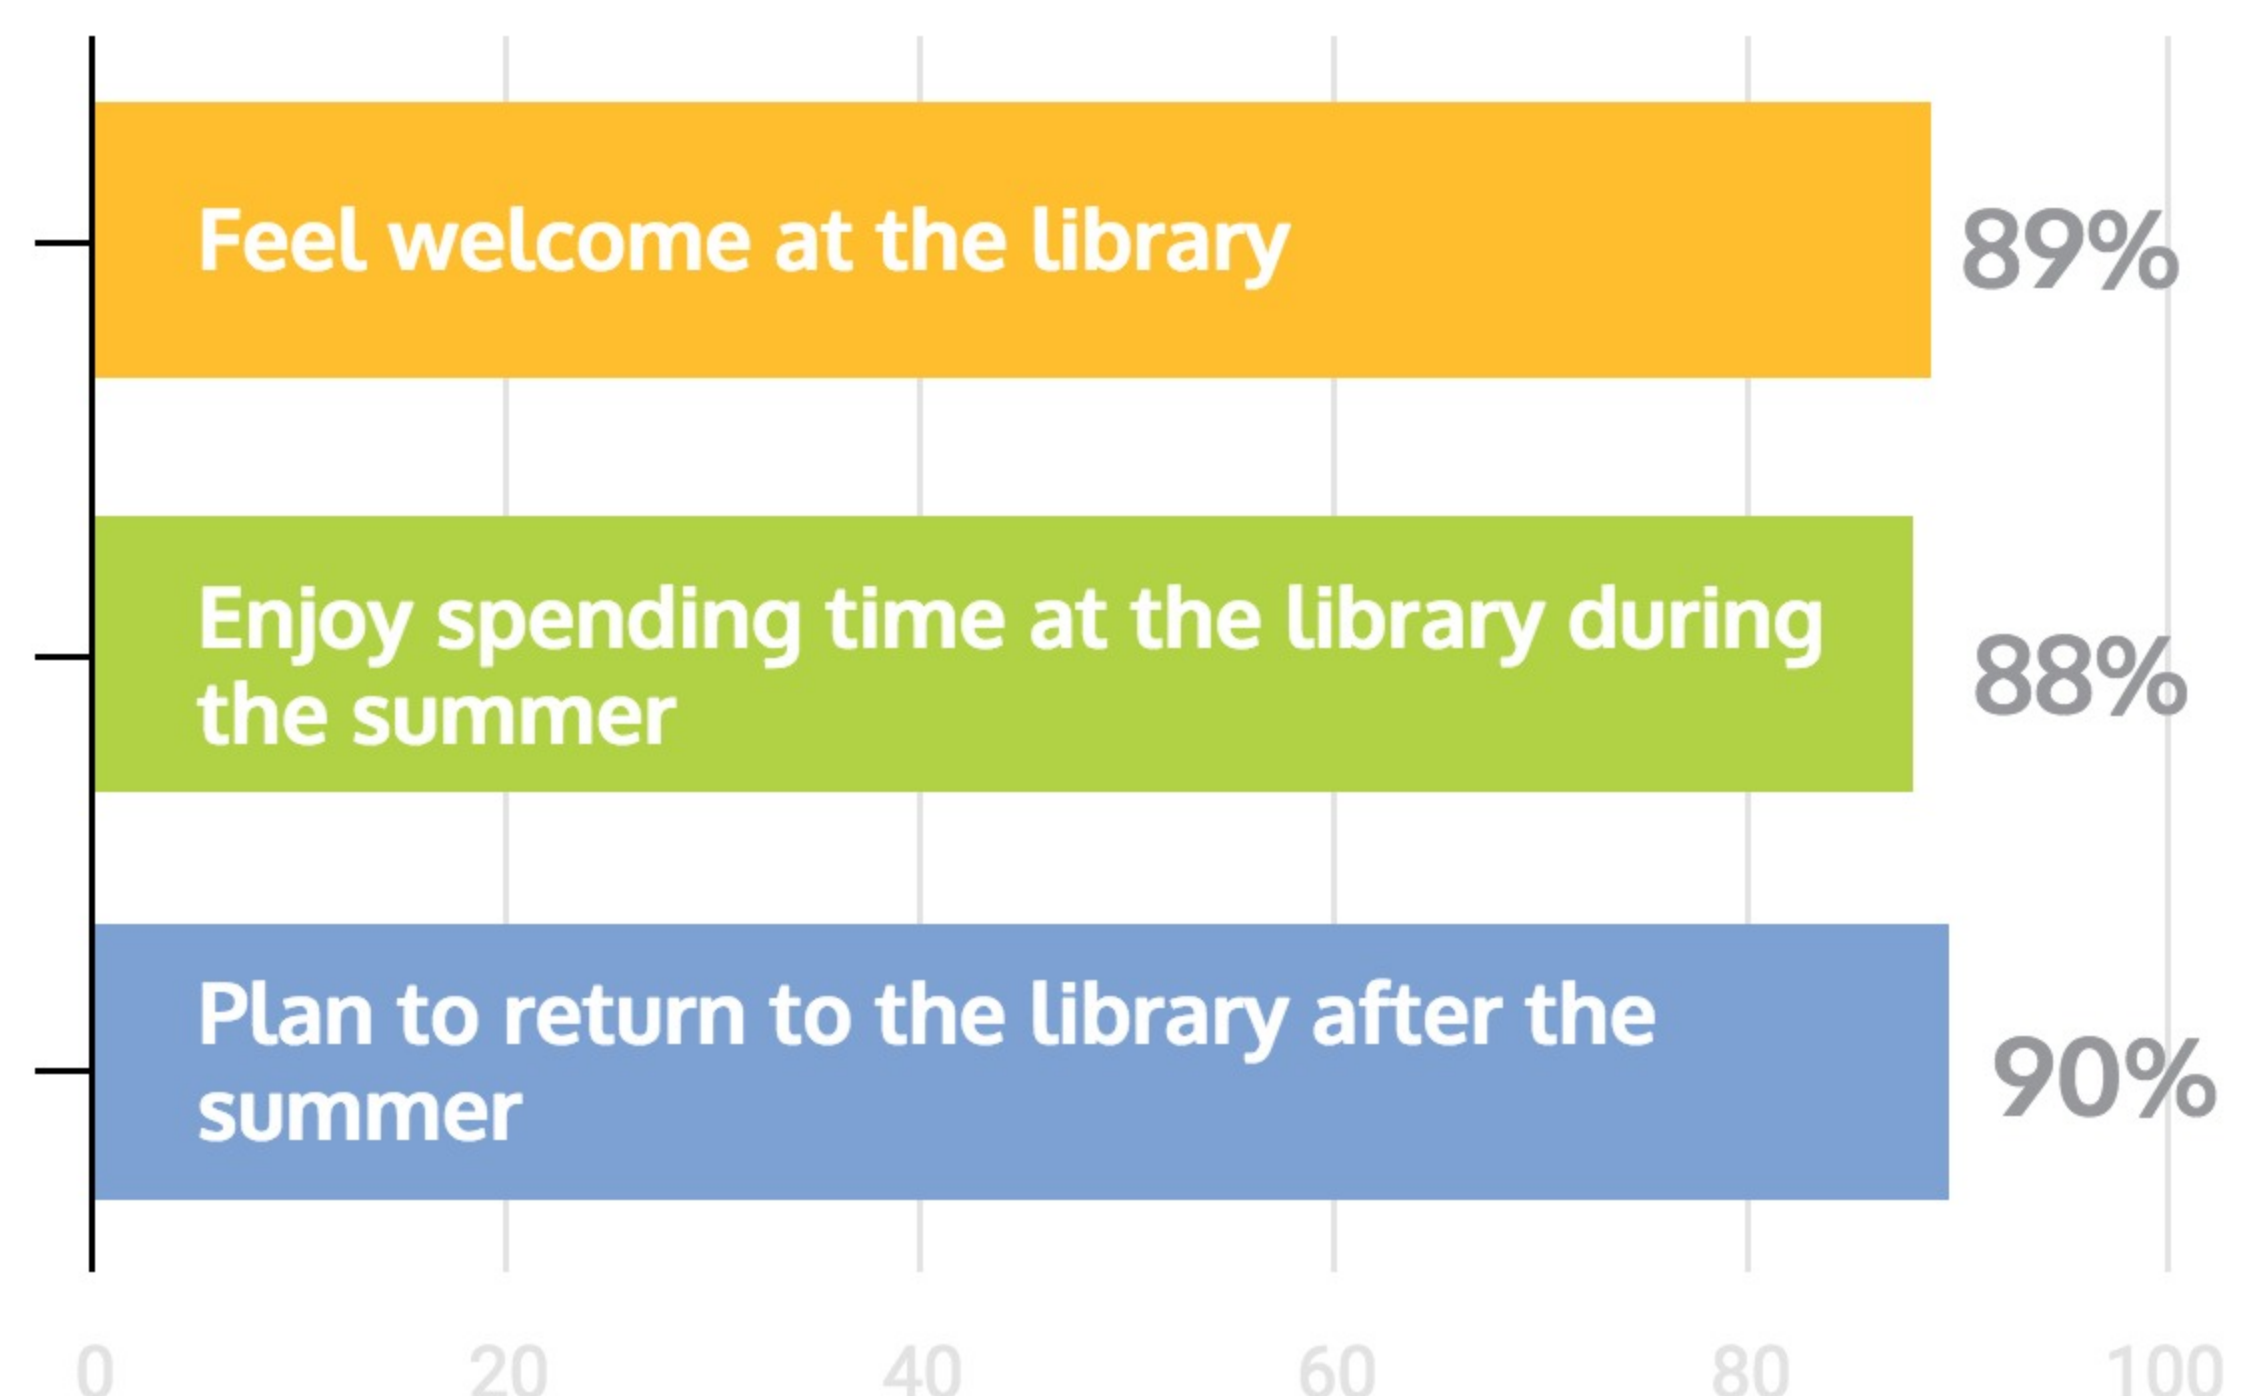

↑ 62%
Increase in reported statewide program attendance from 2012 to 2017
